Gentlemen:-

One of our clients states that he has a Confederate half dollar, one of the original four, which he holds at about $800.00. We have not seen this coin but believe that we could obtain it subject to approval.

If you are in the market for this coin, kindly let us know what you would pay for it, and oblige,

Yours truly,

Gentlemen:-

In reply to yours of the 6th. inst., we are under the impression that the Confederate half dollar is very likely a re-strike and, in view of the fabulous asked for it, we do not think it worthy of further consideration on our part. We have no special demand for $3. gold pieces at present but should we have will bear yours in mind.

Very truly yours,
